

THE STRENGTH OF STEEL

Fortress FE26 Axis Steel Railing

Unmatched Strength

Fortress harnesses the strength of steel to bring you sturdy, heavy-duty deck railings with the structural stability to do more - like fascia mounting and longer runs between posts for expanded deck views.

Fearless Innovation

For more than 50 years, Fortress has been on the forefront of the decking industry, pioneering better materials, processes and products to make every deck stronger and more durable.

Expert Engineering

Fortress understands the issues real-life deck builders and deck owners face and expertly engineers their products to create the best decks and the finest deck-building experience.
