

tehk

style matters[™]

Tehk introduces **Premium Aluminum Deck Balusters and accessories** that reflect the natural qualities of everyday living. Designed especially for the discerning homeowner, Tehk products are a beautiful way to wrap your deck in rich, textured hues that enhance without overpowering.

The inherent appeal of natural-looking, satin textured finishes is built right into **Tehk Premium Aluminum Balusters**. Choose from crushed black, sanded bronze or weathered brown to bring the basics of natural beauty to your deck.

Tehk **Enduring Series Aluminum Balusters** are perfect for customers who love the look of wood decks but don't want the hassle of staining and maintaining wood balusters, year after year.

Why gloss over the details of life?

The team at Tehk:

Inspired by the natural beauty of life.

Your deck is where life happens, from the expected moments to the exceptional. It's where you entertain friends, or watch your children play. It's where you grill dinner to celebrate the end of a long week.

At Tehk, we call that natural beauty. And it's why we created our premium finish textured balusters exactly the way we did. To celebrate the details of deck living, and the natural beauty that happens there, every single day.

Talk to Tehk.

We're happy to answer questions about Tehk premium aluminum balusters and accessories – like how to choose the best color for your deck environment, using the Tehk baluster connectors, or other design and décor items on your mind.

Tehk Premium Finishes

Choose from rich, textured color options to bring the basics of natural beauty to your deck:

- **Crushed Black** – This universal color looks great on every kind of deck, with texture that adds subtle impact.
- **Sanded Bronze** – A perfect complement to pressure-treated lumber or untreated cedar left to gray naturally.
- **Weathered Brown** – Beautifully blends with cedar, hardwoods and other deck materials that will be stained brown.

CAUTION! Cut finish samples may have sharp edges, handle with care.
